

Dear Mr. Kal'Dire,

To seek the Blue Pit is to find the Blue Pit. **FRIEND** will not elaborate on their methods of communication.

**FRIEND** has an additional condition on this task, if you wish to accept it: Throw a Rahastan into the Blue Pit along with the stone. Doing so will yield additional rewards from **FRIEND**.

To answer, drench the responding letter in blood until it is unreadable.

Sincerely,  
**FRIEND**.
