

To FRIEND

I Empress Adélaïde de Val-d'Oise de Lesdiguières, First Of Her Name, send this letter as means of inquiry, for we have not words to share outside of realms of curiosity.

What are you?

Is the FRIEND a nationhood? If so, does thou know why the Heralds have neglected to share word of your people?

If not, are you in relation to the Quotidans, or Heralds directly then? For none have shared your proclivity toward eldritch secrets other than they.

You mention, artifacts, knowledge. What artifacts do you offer as reward? Weapons? What knowledge do you offer? Can you speak on the nature of this game the Heralds play? Of the natures of this Chaos that has now subsided?

What tasks do you wish completed? What goals would FRIEND hold for Dun Sancerre?

Do you reside in the Ultralands? Are we the only of Bellor that have been contacted?

I know I question much of you and your origin. Know that among Sancerrens, unknown forces that lurk above us tend to instill fear and violence in our people and not a willingness to aid in tasks. If you wish for the denizens of Dun Sancerre to enter such an arrangement with you, we must know more.

- Empress Adélaïde de Val-d'Oise de Lesdiguières
