*Dear King Grovel,*

*I have been trying my best to be a good rat and I know that you want me to just give up and die on the spot. However I am not an idiot, I can see that you want me to become one of your subjects.*

*I am a loyal rat and I wish to continue serving. Please show mercy and take me in.*

*Sincerely,*

*A Loyal Rat*

*P.S. I have no idea what "sentient" means.*
