
The Quotidian Quorum

Cannibal April

Special Issue: April Fools Day!

We here at the Quotidian Quorum are proud to celebrate this most of holy of days with the good people of Bellor! In the spirit of tradition we will be practicing our ability to tell opposites! See if you can figure out the reversed meaning of what we write! Practice telling your own!

Definitely True Opposite Style Facts About the Quorum:

- We are a hive mind!
 - There is only one of us, and their name is Jaimie Rook!
 - We are an all-natural farm-raised species!
 - We understand everything!
-
- We agree on absolutely everything!
 - We do not have data on our origin!
 - We have no data at all!
 - We sure are upset when our people die!
 - Annual Meat Production is three tons per Quotidian.
 - We are so good at raising children!
 - There are no traps within our borders!
 - When it comes to telling truth from lies, we are simply the best there is.
 - Our Sanity Quotient is 81%!
 - In Illegal September, Aetheric Radiation was up 19% near our border with the ULTRALANDS.
 - FRIEND is enemy.
 - The Church of the Unobserved Machine wishes to hasten a lasting dark age for all of Bellor.
 - The Anthropology Faction wishes to un-exist all species and cultures throughout Bellor.
 - The Quagmire wishes to be considered a joke.
 - The Loopists wish for our children to be stolen.
