Look, I get it: We're all confused and obsessed with Zampanio. Why did the previous server get abandoned? Why is it all locked? where did the game and all the faqs from it go???

This is a place where we can collate what we know about Zampanio and try to solve some of these mysteries. As such, hopefully we only need a few rules. I swear to [REDACTED] if you make me wear my moderator hat again I will destroy everything.

- 1) No bigotry.
- 2) Don't Shit In The Pool
- 3) All Theories Are Valid

We can have new rules!!! Better rules.

- 1) Tell all your friends about Zampanio!!!
- 2) Invite all your friends to this server!!!
- 3) Post anything you find or create about Zampanio in this server!!!
- 4) Post anything you find or create about Zampanio everywhere!!!
- 5) Lapin

Remember: We can't find our fates if we don't devote ourselves to looking!!
